### Correction to: Journal of Neuro-Oncology

<https://doi.org/10.1007/s11060-021-03791-x>

The initial online publication of this article contained the following minor errors:

- In the Abstract, the median time to VTE diagnosis should have been specified as 3 months (not 2 months).
- In the Abstract, hemoglobin level should have been specified in g/dL (not mg/dL).
- In the Abstract and in the first paragraph of the Results, ‘diabetes mellitus’ should have read ‘diabetes mellitus (type 1 or 2)’.

The original article has been corrected. These corrections have no impact on the results or conclusions of the study.
